

Leon Telemaque

Consumer Behaviour Analyst · Product Analytics · UX Research

Toronto, ON · leon.telemaque@gmail.com · leon-telemaque-portfolio.vercel.app/consumer · linkedin.com/in/leontelemaque

Consumer behaviour analyst studying why people make decisions inside designed digital systems — applied across fintech psychology, CPG brand strategy, subscription retention, and platform product design. Academic foundation in Marketing and Consumer Culture with portfolio work spanning interactive dashboards, strategy models, and product prototypes. Backed by 5 years of frontline high-ticket retail client advisory experience. Targeting Summer 2028 internship roles in consumer insights, product analytics, and brand strategy.

PORTFOLIO WORK & INTERACTIVE RESEARCH

CPG Strategy · PepsiCo — *How a Sports Drink Became a Category* — *Gatorade*

Category creation, multi-league penetration strategy, aspirational proxy consumption. Interactive occasion map across 12 occasions. BodyArmor \$5.6B acquisition defeated. 65% US market share, \$11.5B total category.

Brand Strategy · RBI — *The Cost of Leaving Your Lane* — *Tim Hortons*

Brand contract violation, consumer permission framework, nostalgia economics. LTV model: 750K lost customers × \$15,600 = \$11.7B at risk vs \$11.4B RBI acquisition price.

CPG Analytics · NielsenIQ · Loblaw — *Brand or Commodity* — *How Private Label Exposed the Difference*

Three-variable vulnerability framework across 11 brands. Interactive bubble chart. Canadian retailer data layer (PC, Selection, Compliments). 100% household penetration, \$517B global market.

Real Data Analytics · Équité · IBC · FSRA — *GTA Auto Insurance Risk Dashboard*

Live dashboard ranking Ontario's 10 highest-risk vehicles by composite theft, driver profile, repair inflation, and fraud exposure. All data sourced from 2024–2026 public reports.

Product Strategy · Fintech — *Why Wealthsimple Became a Bank*

Product expansion decision architecture. Two risks identified and defeated. Four-stage acquisition funnel. \$10B CAD valuation, 300K credit card waitlist, profitable since Q2 2023.

Product Strategy · Platform Analysis — *Roblox* — *A Platform Problem*

123M DAU diagnosed across four architecture failures. CEO's viral game thesis reframed. Interactive failure map with product recommendations for each failure node.

Consumer Psychology · Platform Strategy — *Costco* — *A Lifestyle Platform*

Membership as product, retail as decoy. 93% renewal rate, \$4.6B membership revenue near pure profit. \$1.50 hot dog as trust signal. Samples as endowment effect architecture.

Subscription Retention · Behavioural Economics — *Hinge* — *The Most Efficient Carrot on a Stick*

Self-terminating product paradox, daily like limits as precision calibration, Match Group incentive conflict defeated. \$691M revenue 2025, 36% of dating app marriages.

Freemium Design · 5-Platform Comparison — *Give Everything. Sell Comfort.* — *Spotify*

How Spotify converts 675M MAU into 263M paid subscribers (39% conversion) by giving away the catalogue and selling friction-free comfort. Switching costs, PlayStation seeding, competitive matrix.

Loyalty Mechanics · Air Canada — *Aeroplan's Customer Value Decay*

Breakage, tier-design, and redemption-value teardown of Air Canada's Aeroplan programme. Models elite thresholds, 18-month inactivity expiry, and company-disclosed breakage rates.
